Invacare® Top End® Crossfire™ All Terrain™ Wheelchair

Product Description:

The Invacare® Top End® Crossfire™ All Terrain Wheelchair is the monster truck of wheelchairs and is designed to leave some serious tracks. This is the perfect chair for hiking, fishing, camping, hunting, and gardening, accessing the beach or the ski lifts. It is built of 6061T6 aluminum and equipped with enormous 25” x 2.75” knobby wheels and huge 8” x 2” front casters for extreme traction. Engineered with lots of ground clearance, plus forward and side-to-side stability, you can conquer the toughest terrain.

About New Smart Forms:

Top End is excited to introduce a new way to order Top End products. Our new Smart Forms provide an easy and electronic way to fill out order forms, save copies, and submit them via e-mail. Please see below for the features and useful information.

How to use:

- Use any Adobe Acrobat application to electronically fill out the order form
- Use the default selections to order a product with the most common configuration
- Use the **"Reset"** button located in the forms footer to reset selections to their defaults
- Use the **"Clear All" button** located in the forms footer to clear selections, including defaults. This feature allows for a blank order form to be printed and completed by hand
- Use the **"E-mail to Top End order box"** button located on the last page of the form to e-mail the completed form directly to the topendorders@invacare.com e-mail inbox
- Forms can be completed electronically, printed, and e-mailed or faxed to topendorders@invacare.com or 727-522-1007 if access to Acrobat Reader for Windows is unavailable

  (Acrobat Reader for Windows with java-script enabled is required to save and attach to e-mail)

Features:

- Tabulated options for an organized and standardized work-flow
- New more specific option codes which will appear on confirmations to improve customer / manufacturing communication
- Common special requests have been given option codes
- Built in exclusions to help eliminate errors
- Ability to save the form after it is filled out
- Ability to e-mail the form inside Acrobat Reader rather than saving a copy and attaching to an e-mail
- Ability to clear the entire form so it can be printed and completed by hand in the field when a computer is not available
- Ability to reset form to default selections
